BULLETIN #6

In these grim times we all feel the need for something to laugh at. Something that will take our minds off the troublesome things going on all about us. That is why we put a feature like ARCHIE in this issue of PEP COMICS.

No fooling, gang, ARCHIE really is a rip-tickler. Don't take my word for it. Just turn the pages of this book to ARCHIE -- and then when you stop laughing sit down and write me a letter about it.

And now for our regular monthly discussion. Remember I asked you to write me your reaction on Phyllis Barber's idea of the pen pal page. Whew! Your letters are coming in so thick and fast that I haven't gone through all of them yet. But keep those pens and pencils going. It is a real pleasure to read them. Remember I want you to keep sending me any idea or suggestion you might have.

Memo to Joseph Klibanow. About my pal the BLACK HOOD, while I regret that he doesn't appear in a book of his own, you will find him in JACKPOT COMICS. He asks me to give his sincere thanks for your gratifying interest.

And so, so long and happy reading until next month.
